Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:

With reference to claims 1-7 & 9-15, the prior art of record does not disclose or clearly suggest a probe head for a coordinate measuring apparatus, the probe head comprising a damping device including at least one friction brake for generating friction force to effect said damping of a yielding part in a pregiven direction, in combination with the remaining limitations in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
